

Holy Apostles Parish
2009 Pledge

Dear Parish Members,

The time is at hand for us to plan the parish budget for 2009. In the budget process we rely on the pledges that you submit to plan for the upcoming year. With this in mind, please print and fill out this form and **return it to Lena Campbell**, our Parish Treasurer, or myself by **11/16/08** if possible.

We ask that everyone return this form. It is important to hear from all of you (regardless of the amount that you will be pledging), so we can plan our upcoming budget; and the time frame is important so we have a completed budget to show you for our Annual meeting next month (to be announced).

We extend our heartfelt appreciation to those of you who have been tithing faithfully--some of you for many years--even when this has involved personal sacrifice for you and your families.

Your Brother in Christ,

Bartholomew Aiello
Parish Council President
